

DIVISION: Education Services-Special Populations (ESSP)

## ***Policy Development***

- 1. Provide members resources and opportunities to influence OK CTE policy development.**
  - Increase the publication of pertinent legislative resources and links on the ESSP website in a timely manner
  - Ensure the nomination of an OkACTE Fellow from the ESSP division each year

## ***Professional Leadership Development***

- 1. Facilitate leadership growth and utilize opportunities for such in OK CTE.**
  - Promote OkACTE, OkACTE Fellows, Region IV, and ACTE leadership professional development and training opportunities
  - Set up divisional trainings for newly-elected officers and committee members by outgoing position holders
  - Reviving collaborative efforts between officers by utilizing division technology and writing effective executive / advisory policies

## ***Membership Service***

- 1. Continue providing value-added programming and service opportunities to members.**
  - Conduct member surveys to determine what specific programming members wish to see and implement those ideas into professional development.
- 2. Respond to member needs and desires for the division with tangible efforts.**
  - Streamline communications with members via all division resources including blog, website, email, social media, etc.

## ***Leadership of the Profession***

- 1. Develop partnerships and resources which showcase the dynamic range of the division.**
  - Provide physical resources to members and offer to speak at other divisions' functions to promote the mission and function of ESSP

- Highlight the best practices and resources each role and CTE center can provide
